CONCISE AND LUXORIOUS  
CONCISE AND LUXORIOUS, ARTISTIC LIFE

To possess Ferrari car we only need money, and **possess private yacht** we still only need money.  
While possess Arturo Laidu we need more than money, since the user's taste and the love of one's life **is quite necessary**.

# KING'S style

yacht, private planes, rural villa, and a whole set of Laidu furniture, constructing a picture of noble life!

yacht, private planes, and rural villa are the luxury representatives deeply rooted in people's mind. Parallel to them, Laidu furniture shows nobleness and luxury with a familiar luxury symbol.

Arturo furniture Laidu series uses light coffee color as its main color and simple rectangle as its basic design frame, the edge angle skillfully is treated with highly difficult arc-surfaced inhaled moulding wood veneer, thus enables the furniture to appear stable, strong, simple and smooth. The specially designed delicate steel handle is perfectly embedded in the furniture veneer, looked harmonious and graceful, full of decoration beauty. The brilliant hard black walnut wood veneer and jade-like emmenopterys henryi pomegranate veneer show quite unique. Meanwhile, Laidu series double locking delicate steel handle, with the design inspiration from Ferrari car, similar to opening and closing Ferrari car door, is uniquely designed by Italian professional design organization, and has very simple and smooth vision effect and hand feeling. With innovated design and the use of valuable and rare materials, Laidu will attract numerous beyond noble class.

# Simplicity and **TASTE**

The truly noble class never puts home beside him, and never stays on the luxurious yacht every day. Home, is their most reliable place and the safest harbor. Facing the magnificent furniture around him at home, one always feels calm and natural, and then the noble life shows its true meaning, since the honor of luxury is quietly waiting for serving his master at home.

From luxury to simplicity, from contradiction **to harmony**,  
all are moderate, but display exquisiteness **on detail of life.**

# LASTING NOBILITY

## KING'S DEMEANOR

Different from standardization emphasized by modernism, design of Italian post-modernism flaunts personality, stresses on ornamental function of articles, and boldly uses bright color. Just as this style "Laido" dining table before the eyes, it adopts light brown, which is called as eternal classic in the world, and breaks through traditional concept, makes hardware of bright color match with it, thus achieves uncommon life taste.

## THE CLASSIC SUMMIT WORK IS WORTH **EXPECTING.**

Dining table is the core of dining room. The influence of culture tradition on dining manner concentratively embody on dining furniture. Chinese dining table is square and round. In the Chinese meal, every one surrounds the center to have dinner. With the introduction of Western-style food, the dining table looks different now, the long dining table (also called big dining table) enters ordinary family. But many people do not know their real needs since they buy large dining table only for fashion and beauty, and they do not know the true meaning of modern dining either. *Isidu* combines fashionable Italian post-modern views and super noble class behaviors, and combines valuable wood and rare wood veneer and imported hardware element, providing a highly tasted family for you.

## PERFECT FURNITURE

Laito of arbore excavate post-modernism style and display cultivating space which is simplified and luxurious for new nobles. The luxurious selection on material, exquisite detailed design, elegance revealed by metallic paint makes people's taste elevate gradually. Laito dining furniture adopts totally different combination of several type wood textures, so as to create uncommon visual beauty. Grandness reveals from exquisiteness. Nobleness displays from leisure. A kind of natural flaunting of urban life is displayed. There is a little elegance, a little leisure, just as its constant style, so simple and practical; it fully demonstrates refined life of urban gentleman.

Lacis series product of Arture display simplicity opinion and spatial feeling full of dimensional sense. Large space of light coffee color on furniture is highlighted by metal color of exquisite steel handle. Just as handle design of Ferrari car, it is human oriented and beautiful as well. Your feeling of opening the drawer is just as that of opening the car door, your taste on car will be extended to home.

## CREATES HEALTHY AND FASHIONABLE **LIVING SPACE.**

Home always annotates its master from the angel scene. Owing to different personality, likes and dislikes of people, there are many different homes. In addition, with different phase in life, your home will come through changes. It is not actually deliberate arrangement, but real display of status at that time, not only on substance aspect, but more on spiritual aspect. Just as we usually judge a person with his words and dress, Laica defines its understanding of home in this way.

ELEGANT SPACE  
BREATH **FLOWS OUT**  
THINLY  
FROM THE TIGHT  
RESERVATION.

Taste household life with cultural connotation. Leave noblest spirit in nature and fashion at home. Magnificent hard walnut wood and pineapple wood with crystal texture display uncommon visual beauty. Simple and luxurious shape and function arrangement of post-modernism endow furniture with uncommon quality and taste. In such home, a dining table, a cupboard, and several pieces of dining chair, just several pieces of furniture will make home atmosphere completely different.

## GRAND AND UNIQUE DESIGN IN GEOMETRY **SHAPE**

Is there any similarity between an expensive Ferrari car and a set of luxury furniture? Laidu series double locking delicate steel handle, with the design inspiration from Ferrari car, is uniquely designed by Italian professional design organization, and looks very simple, smooth and beautiful. The use of handle is similar to opening and closing Ferrari car door, so smooth, heavy and powerful. Of course, the design of expensive cars and furniture both show the artistic inspiration of masters. Similar to sports cars, the design of furniture can be simple and complicated. The super simplicity is the feature of classic family, and even more complicated than the once most popular classic furniture. To demonstrate luxury design in simple furniture, the designers' taste and function play a key role.

## POST-MODERNISM STYLE AND DISPLAY CULTIVATING **SPACE**

Today, how will we understand luxury? The luxury in appearance does not represent the true content of luxury. The true luxury is the low key luxury, the delicate carved details, and the essence extracted by time and wisdom, and the truly expensive is the perfect pursuit of quality. Today, bedroom is another luxury place in people's life. When people have more and more requirements on life quality in their bedroom, the luxury shall become more and more delicate. The dresser uses simple rectangle as its basic design frame, and the edge angle is skillfully treated with highly difficult arc-surfaced intule moulding wood veneer, enabling the furniture to appear stable, strong, simple and smooth.

As perfect as Ferrari door, the delicate steel handle is perfectly embedded in the dresser drawer, looking harmonious, graceful, and beautiful. The height design satisfies human body size, enabling the nobleness in the bedroom to become very amiable and comfortable, and the function design of dresser is reasonably shown in different drawers. The four square feet of small make-up stool are wrapped with bright steel, appearing delicate and smooth.
