CONCISE AND LUXORIOUS
CONCISE AND LUXORIOUS, ARTISTIC LIFE

CLASSICAL romance.

ROMANTIC FASHION OF MODERNISM

In Audrey Pasta, as if we see the noble and charming Annie Princess acted by Audrey Hepburn in Roman Holiday and review the Italian classical romance.

The modern "grid" never leaves the stage of life, it may be fashion, classical or reminiscence. The Audrey Pasta series combine with the Italian minimalism, taking the grid as the design element and representing modernity, luxurious, sexy noble atmosphere and shape the high living-taste. Appreciatively looking at Pasta, as if we see the noble and charming Annie Princess acted by Audrey Hepburn in Roman Holiday.

The auxiliary products of Pasta has many as over 20 pieces. Each piece product takes size of Chinese household into consideration. The appropriate size and exquisite shape make full use of space, bring out elegant beauty to vision, further show nature and capable temperament of the owner.
 Main body in brown color matches perfectly with silver grey steel frame. It feels stylish.

ARTISTIC taste

When more and more urban people try to catch the fleeting time from the busy work, the loanword "golf" gives them much comfort. In the weekend, spending your time on the verdant grass with some friends, the word "golf" gradually speaks for the high-level life from a brand new angle. However the real nobly life just begins after finishing the game!

Pasta bedroom series inherits European classical design, contains classical flavor, and integrates simplicity and fashion spirit of modern elements. Pure and romantic color is integrated with fashionable grid elements and unique delicate technique of maple ball punches, thus display classical and romantic style, implicit elegance and taste.

DEMONSTRATING EXTRAORDINARY ARTISTIC TASTE AND SUPERB QUALITY.

Italy post-modernism style is displayed so magnificent and so noble. When we enjoy noble life of European nobles, we intensively feel the concise fashion come from modern. bothyou and me will be refreshed by the flavor sent out from luxury timber.

868 NIGHT STAND B 704X500X670mm

Concentrate noble character

Exquisite bedroom cabinet integrating post-modernism artistic essence combines unique metallic paint with color and texture of maple wood, display such visual effect as bright, comfortable, elegant, refreshed and appealing. Imported hardware fitting in bright color and exquisite shape sends out scientific light of wisdom. The concise, smooth and picturesque disordered grid elements run through the whole body of furniture. The exquisitely carved crystal dressing mirror, the warm design of bedside lamp, paint out the life fun overflowing with inspiration and vitality for the enjoyer.

It is more an artistic work than a storage cabinet. Lead by Italian simplicity trend, post-modern simplicity integrates with moderate and luxurious life taste of new generation nobles. Grid element on top of fashion is adopted to meticulously interpret elaborate works of Artism Paris. No matter as to integral shape of furniture, or door, drawer handle, drawer, even ornamental hardware fittings, all are presented by grid. Numerous grids, and there is grid in grid. Though visual space is limited, fashion and luxury is displayed to the utmost. Especially imported brightened hardware fittings, no matter as to foundation or ornamental edge lines, neither do not highlight the inspiration and fashion quality of the space.

868 DESK 2100X1000X760mm
868 BOOK SHELF 1880X400X2050mm

Desk, seating chair, book cabinet, decoration rack, sofa and tea table are of integrated design. Apart from uniform style, it is more a display of noble taste. The whole study room is wonderfully harmonious and perfect no matter as to atmosphere creation and detail outline. Tranquility is the unique temperament of study. Silent meditation is the present book gives us. Here, you can reward yourself without reservation, or meditate, or work until midnight, or you can hold your beloved bag, indulged in it. All comes from cozy space of the study room.

Innovation build classics

The study in modern life has gradually changed into an extension of office environment, and it becomes more multifunctional, featuring the two purposes of work and life. On the one hand, it must have the seriousness of office; on the other hand, which of it is no part of the house, rich life flavor must be fully demonstrated. Only in this way can you be more absorbed in work, and be more comfortable when resting, in a relaxing environment. As the concept of "working at home" becomes more popular, the study natural becomes your special space for creating wealth.

Designer of Actaeo integrates outstanding creative idea with sensitive and delicate design thought. Apart from standard grid element of Postia is also highlights decoration function of hardware fittings. Book cabinet with imported toughened glass as decoration fully displays broad knowledge and elegant taste of the owner.
